

Alex's Wellness Ritual

Stress & Nervous System

This prescription was created specifically for Alex based on a personalized wellness profile centered around **Stress & Nervous System**. The blends below are chosen to work with your body's natural rhythms, not against them. Drink them consistently, brew them with intention, and notice what shifts.

PRESCRIBED BLENDS

- 1

Stress Less

Ashwagandha, tulsi & passionflower — adaptogenic stress support trio.

- 2

Tulsi Awakening

Pure tulsi with cardamom — adaptogenic, grounding, deeply clarifying.

- 3

Adaptogen Blend

Ashwagandha, reishi & eleuthero — long-term resilience through every season.

BREWING GUIDE

Water Temperature	Steep Time	Amount
Just off the boil (195–205°F)	7–10 minutes	1–2 tsp per cup

Specific instructions for your goal: Steep 1–2 tsp in just-off-boil water for 7–9 minutes. Breathe in the steam before sipping. No phone.

YOUR DAILY RITUAL

Start every morning before caffeine with 1 cup of your prescribed blend. Hold the cup with both hands, breathe in the steam for 30 seconds, and set one intention for the day before your first sip.

TIPS FOR STRESS & NERVOUS SYSTEM

- ◆ Your blend works best when you're not rushing through it.
- ◆ Adaptogenic herbs build their effect over weeks — be patient with the process.
- ◆ Consider a short walk in natural light daily.

ADDITIONAL FOCUS AREAS

Nervous system · Mood support · Sleep quality

These areas are on our radar for you. As your ritual evolves, explore the Chai Holistic catalog for blends that specifically address each one.

UNIVERSAL WELLNESS REMINDERS

- ◆ Drink your morning blend before caffeine — let herbs speak first.
- ◆ Hold your cup with both hands. The warmth is part of the medicine.
- ◆ Consistency matters more than perfection. One cup daily beats seven cups once.
- ◆ Notice how your body responds after 7 days. Your symptoms are feedback.
- ◆ Pair your evening blend with 5 minutes of quiet — no screens.
